

Rocky River Golf Club

Holding steady in North Carolina course ratings

The Rocky River Golf Club in Concord, next to the Charlotte Motor Speedway, has continued its high rating with the North Carolina Golf Panel in the latest 2020 golf course ratings.

Listed for the past several years in the Top-100 Golf Courses in the state, Rocky River is the only public golf course listed from the Greater Charlotte Metro area.

Rocky River has also maintained a golfer-friendly honor of being "Best Bang for your Buck". (BBB)

The NC Golf Panel figured in the rating of the course, the condition of play and facilities available for golfers in their tabulation for their BBB list.

Rocky River has been a familiar name on the list for several years, and this year is joined by Red Bridge Golf Club, Locust; Verdict Ridge Golf & Country Club, Denver; Mooresville Golf

Club, Mooresville; and Olde Sycamore Golf Plantation, Charlotte in the top-5 in the Charlotte Metro.

To go a step further, Rocky River was also singled out as the #28 "Best Place You Can Play" in the state. A majority of courses on this list are private clubs, with very restrictive play; however some have hotel or resort arrangements that allow daily-rate play for registered guests.

Rocky River is connected to the Embassy Suites Hotel, and guests receive a discount on the public rate. But the main appeal at Rocky River is that public play is the rule for area golfers.
