

What does your golf bucket list look like?

While watching past Open Championships, how many times have you wondered what it would be like to play the variety of shots, as dictated by the ubiquitous winds, on those wonderful seaside golf links courses in the Rota as the best golfers in the world compete for the coveted Claret Jug?

It is possible to answer those questions while experiencing the golf trip of your and your friend's lives. *Thru the Links, Ltd* based in Cork, Ireland (with an Indian Land, SC sales office) specializes in the planning and delivery of your customized overseas golf tour.

Thru the Links' first class service offers golf tours to Ireland, Scotland, England and Wales, as well sightseeing trips. (www.thruthelinks.com)

They also specialize in Couple's Golf Tours. While the lads are playing Ballybunion or Lahinch with preferred and confirmed tee times, *Thru the Links* provides the ladies with a day trip to a crystal factory, local cooking class or to the world

class spas that most of our chosen 5 star hotels have on property.

After golf and a few pints at the club, or uptown with your caddies,

everyone meets up at the hotel with the evening in front of them. Of course, *Thru the Links* has made dinner reservations for the group at a wonderful restaurant or local pub to complete the day.

Booking your 5 star accommodations and chauffeured Mercedes luxury Riada makes your trip comfortable and carefree as all of the tour's details have been personally handled by *Thru the Links*.

Thru the Links' signature is the personal touch from initial planning stages to arrival through your homeward departure. They believe that successful golf tours do not just happen...it is what they do.
