Spinach has its very own National day, its the 26th of March.

SERVES 12 | TOTAL TIME: 40 MINUTES

## INGREDIENTS

284ml pot **buttermilk**  
1 **egg**, beaten, plus 2 poached **eggs** per person, to serve (optional)  
200g **spinach**  
175g **buckwheat flour**  
1 tsp **gluten-free baking powder**  
Pinch of **paprika**  
**Rapeseed oil**, for frying

## INSTRUCTIONS

First, boil the kettle, and put the buttermilk and beaten egg in a food processor.

Put the spinach in a colander and pour over boiling water to wilt it. Squeeze out any excess water, add spinach to the processor and blitz to a smooth purée.

Next, put all the dry ingredients, plus 1 tsp of salt, in a bowl and gradually mix in the purée. If it's a little too thick, add 1 tbsp water to loosen it into the consistency of batter.

Heat a drizzle of oil in a large, non-stick pan over a medium heat and spoon in two or three ladlefuls of batter. Cook for 1-2 minutes or until bubbles appear, then flip over for 1 minute more or until cooked. Repeat until you have 12 pancakes.

Serve topped with poached eggs, if you like.

4 slices **rustic country bread**  
455g **asparagus**, tough ends trimmed  
2 tbsp **olive oil**  
**Kosher salt and black pepper**  
8 **large eggs**  
1 tsp **vinegar**  
28g **Parmesan**

## INSTRUCTIONS

Start by preheating the grill.

Place the bread and asparagus on a baking sheet, drizzle with the oil and season with 1/2 tsp each salt and pepper.

Grill until the bread is toasted, about 1 to 2 minutes per side and then place the bread on your four serving plates.

Continue grilling the asparagus, tossing once, for about 4 to 8 minutes more, or until tender.

At the same time, you'll need to poach your eggs.

Bring a pan of water, at least 5cm deep, to a bare simmer, add vinegar. Crack your egg into a bowl and add them to the water, one by one. While you're pouring your eggs in, stir the water gently to make a little whirlpool. Cook for 3-4 minutes or until the white has set. Remove from the water with a slotted spoon.

Serve toast with asparagus, eggs and parmesan cheese.

8 **large eggs**  
4 slices **country bread**, toasted  
28g **parmesan**, shaved

### 4 eggs

Small handful flatleaf **parsley**, finely chopped, plus extra sprigs to serve

Handful **chives**, finely snipped

1 small **garlic clove**, finely chopped

50g **parmesan**, freshly grated

**Olive oil**, for frying

### For the filling

250g tub **ricotta**

handful **fresh basil**, torn

50g **parmesan**, freshly grated

## INSTRUCTIONS

Firstly, beat the eggs with 2 tbsp water and season. Mix in the parsley, chives, garlic and parmesan.

Heat a 23cm heavy-based frying pan on a medium heat with a little oil. Once the oil is hot, add one ladleful (about a third) of the egg mixture and tip the pan so it covers the base. Reduce the heat and cook the omelette until it's just firm, then flip it over and cook the other side. Keep warm while you repeat to make three omelettes in total, adding a little extra oil to the pan each time.

Meanwhile, make the filling by combining the ricotta, basil, parmesan and some pepper. Spread mixture over each omelette, roll up loosely like a cigar and cut into thickish slices.

## INGREDIENTS

1 tbsp **Cajun or Creole seasoning**  
**Salt & black pepper**  
450g cleaned, **large shrimp**  
85g fully cooked **turkey/chicken Andouille sausage**, very thinly sliced  
1 medium **courgette**, sliced into 1/4-inch thick rounds  
1 large **red bell pepper**, seeded and cut into thin strips  
260g **corn kernels**  
5g **fresh Italian parsley** leaves, chopped  
5g **fresh basil leaves**, chopped  
60ml **dry white wine**, such as Pinot Grigio  
2 tbsp **olive oil**

## INSTRUCTIONS

In a medium bowl, combine the Cajun or Creole seasoning, salt and pepper. Add the shrimp and toss to coat.

Place 4 large pieces of heavy-duty aluminum foil on a flat surface.

Divide the sausage, courgette, bell peppers, and corn among the foil pieces, placing the vegetables in the center of each. Top each with shrimp (about 6), sprinkle each with 1 tbsp of the parsley and 1 tbsp of the basil.

Drizzle each with 1 tbsp of the wine and about 1/2 tbsp of the oil. Fold each piece of the foil to form a packet, sealing tightly and leaving a little room inside for air to circulate in the packet.

To cook, preheat the oven to 202°C/425°F/Gas 7. Arrange the packets on a baking sheet and cook for about 10 minutes, until the shrimp is cooked through and the vegetables are crisp.

Open the packets slowly, being careful of the hot steam. Transfer the shrimp, vegetables, and sauce that has accumulated to four individual bowls or rimmed plates.

Whole wheat pasta takes 2-4 minutes longer to cook to al dente than white pasta.

SERVES 6 | TOTAL TIME: 35 MINUTES

GF

## INGREDIENTS

2 tbsp **olive oil**  
680g boneless skinless **chicken breasts**, halved lengthways  
1 tsp **kosher salt**, divided  
1/4 tsp freshly **ground black pepper**  
2 cans (400g) **diced tomatoes with basil, garlic and oregano**  
500ml **water**  
455g whole wheat (or gluten free) fettuccine pasta (or substitute another long, straight pasta, like spaghetti)  
110g reduced-fat **feta cheese**, divided  
**Fresh basil**, finely chopped (optional)

## INSTRUCTIONS

Bring a large, deep pan to high heat and add olive oil, followed by the chicken breast halves. Sprinkle with 1/2 tsp each salt and black pepper.

Cook the chicken on one side for 8 minutes, moving it around in the pan a little to prevent sticking, but not too much, so that a nice crust will form. Lower the heat as needed if the chicken seems to be cooking too quickly. Flip, sprinkle with the remaining 1/2 tsp salt, then cook for an additional 5 minutes, or until the chicken is cooked through.

Add the diced tomatoes and water. Stir in the pasta and cook, uncovered, for 5 minutes. Cover and cook for an additional 10 minutes.

Remove the lid, stir, then add 3/4 of the feta. Stir once more, then let cook uncovered for 5 additional minutes.

Serve warm, sprinkled with the remaining feta cheese and fresh basil.

## INGREDIENTS

1 1/2 tbsp, plus 2 tsp **olive oil**  
75g **onion**, very finely diced  
480g **ground chicken**  
165g **fresh mango**, finely diced  
1 tbsp **fresh chives**, minced  
1/4 tsp **red pepper flakes**  
3/4 tsp **salt**

## INSTRUCTIONS

In a heavy skillet, heat the 2 tsp of the olive oil over medium heat. Add onion and saute for 5 minutes until soft and tender.

Next, scrape onion into a medium bowl and let cool for 5 minutes. Add chicken, mango, chives, red pepper flakes and salt. Using clean hands, mix everything together, making sure to get the mango distributed throughout.

Using wet hands, form the chicken into 8 equal sized patties, pushing down to flatten a little bit and laying on baking paper.

Heat the same skillet over medium high heat and add remaining oil. Gently place patties in the pan, in batches if needed for about 3-4 minutes on each side, until golden brown on each side and cooked through.

Turkeys can actually fly! Although they rarely leave the ground, they can in fact soar for short bursts at up to 55 mph.

SERVES 4 | TOTAL TIME: 40 MINUTES

## INGREDIENTS

- 1 tbsp **olive oil**
- 1 **yellow onion**, sliced
- 680g **ground turkey**
- 2 tbsp **chili powder**
- 2 tbsp **taco seasoning** (gluten free if required)
- 3 **sweet potatoes**, chopped into small pieces
- 3 cloves **garlic**
- 500ml **water**
- 500-750ml **broth** (start with 500)
- 1 can (400g) **black beans**
- 1/4 tsp cayenne for spice (more to taste!)

## INSTRUCTIONS

Firstly, heat the oil over medium high heat in a heavy, deep pot. Add the onion, turkey, 1 tbsp chili powder, and 1 tbsp taco seasoning. Add water as needed to keep the turkey moist and moving around in the pan. When the turkey is browned and crumbled and the onions are soft, remove from the pan and set aside.

Next, add the sweet potatoes to the same pot with the remaining spices and stir to combine. When the sweet potatoes have browned just slightly, add the garlic, water, and broth. Bring to a low boil and simmer for 10 minutes or so, until the sweet potatoes are very soft. Using an immersion blender, puree the mixture until it reaches your desired consistency (you can also transfer to a regular blender and puree that way).

Divide the sweet potato puree onto four bowls or plates, add the browned turkey, black beans, and cayenne and stir to combine.

Apparently the brownie originated when a housewife didn't have baking powder, so she improvised and made her guests "flattened cakes"

SERVES 12 | TOTAL TIME: 30 MINUTES

## INGREDIENTS

25g **rolled oats** (gluten free if required)  
50g **unsweetened cocoa powder**  
55g **whey chocolate protein powder**  
120ml unsweetened **applesauce**  
1 **egg**  
1 tbsp **honey**  
1 tsp **vanilla extract**  
160ml **almond milk**, unsweetened  
45g **chocolate chips**, plus 2 tbsp for topping  
65g **raspberries**, broken up into large pieces

## INSTRUCTIONS

Firstly, preheat oven to 177°C/350°F/Gas 4. Spray 8x8 inch baking pan with nonstick cooking spray.

Place oats in a blender and blend for one minute or until they resemble the consistency of flour. Transfer oat flour to a medium bowl then whisk in cocoa powder and protein powder, set aside.

Whisk together applesauce, egg, honey, vanilla and almond milk until smooth and well combined. Add to dry ingredients and mix together until just combined.

Next, heat coconut oil and the chocolate chips (save 2 tbsp) in a small saucepan over very low heat. Stir continuously until all chocolate chips and coconut oil have melted together. (You can also heat them in a microwave safe bowl for 30-45 seconds.) Gently stir into brownie batter.

Pour mixture into prepared pan. Sprinkle remaining 2 tbsp of chocolate chips and raspberries on top and bake for 18-22 minutes or until just cooked through and the top has set.

Transfer pan to wire rack to cool completely.

Once cool, cut into 12 bars. The bars should be kept covered in the refrigerator and enjoyed cold!

Not only does protein contribute to muscle growth, it also helps to repair damaged muscles and tissues.

SERVES 14 | TOTAL TIME: 40 MINUTES

## INGREDIENTS

100g **crispy rice cereal**

55g **protein powder**

65g creamy **almond butter**

1 tbsp **coconut oil**

150g **brown rice syrup**

Optional: 2-3 tbsp **chocolate chips**, for drizzling

## INSTRUCTIONS

Start by preparing an 8x8 baking pan by spraying it with cooking spray.

In a medium-sized bowl, combine the cereal and protein powder. Set aside.

In a small pan over medium-high heat, add almond butter, coconut oil, and brown rice syrup. Bring to a boil, stirring frequently to avoid burning, before removing from heat and allowing to cool slightly.

Pour nut and syrup mixture into the cereal mix. Stir until everything is fully combined and all the cereal is well coated.

Transfer to prepared baking dish. Using the spatula or your hands, spread the mixture evenly in the pan, pressing down firmly.

Place chocolate into a microwave safe bowl and nuke on high in 20 second intervals, mixing between each. When chocolate is fully melted, drizzle over the top of the packed cereal mixture using a spoon.

Place pan into fridge and allow to cool for 30 minutes before cutting into squares.
