# Patriot Parade

Patriots,

What an incredible start to the 2022-2023 school year! Thank you to everyone who made it out to our Club Night and Open House on August 29th—it was an incredible turnout! We are off and running with a lot of changes this year, and we wanted to make sure that you were kept aware of everything that we have going on at LBHS.

In our 9th and 10th grade English classes, we have purchased a supplemental curriculum for your student to help prepare them not only for the new F.A.S.T. testing, but for their Junior/Senior years and beyond. The Pre-AP curriculum from the College Board is designed to help give your students more access to the standards that they will be assessed on in their 9th and 10th grade years, and we have high hopes for this program moving forward. Ask your student about their College Board account, yes, they have one and it is active! With new standards in all of our English and Math classes, plus some Science and Social Studies, we are trying to think of creative ways to ensure that your Patriots are Meeting the Challenge. If you have any questions about our curriculum and instruction in a specific area, please don't hesitate to reach out!

The fall is always an exciting time for high school students, but this year rings especially true with the celebration of our 50th year as an accredited high school! We have a lot of amazing celebrations and events planned throughout the year, so please check our website for the most up-to-date information and your emails and text messages for exciting news regarding

## Counselor Appointments & Lunch Availability

Counselors are accepting appointments via their 'youcanbook.me' links. Students and parents/guardians are encouraged to make appointments with counselors to guarantee availability.

Students can also visit counselors during both lunches on Mondays, Tuesdays, and Fridays in the College and Career Resource Room located just off the cafeteria. Lunch visits do not require an appointment, and counselors rotate so students are welcome to speak with the counselor on duty that day.

## ROWING

Lake Brantley Rowing Association (LBRA) welcomed back more than 40 rowers to our program this fall. This is only the beginning. New rowers are always welcome! Not sure if you are made for rowing? LBRA offers a free week trial for all interested rowers. We hope to see you next Monday! Not only do we have a program just for Lake Brantley High School students, but we also have programs for your brothers and sisters, 5th through 8th grade, regardless of the school they attend, and an Adult Master's program. No previous experience is required. Everyone rows, and everyone races.

We had a great season last year at States in Sarasota with the following medals: Men's J8+ won the State Championship, Woman's J8+ were Scholastic State Champions, Woman's 2V4+ placed 2nd Scholastically and our Freshman 8+ finished 3rd Scholastically. At the Statesbury Regatta in Philadelphia, our Woman's LTWT 4+ finished 3rd in the nation. Rowing is a great sport for college scholarships.

We are excited for our fall season, which includes local regattas and a special race trip to the Head of the Hooch in Chattanooga Tennessee. Check out the website: [headofthehooch.org](http://headofthehooch.org).

Our high school girl's captain is Emily Beanen, and the boy's captain is Nathan Long. Ask them about crew. Our school representative is Michelle Bettger, a former Lake Brantley High School rowing coach.
