

Power From the Past Membership Application

EDGTA Chapter 240

Power From The Past is organized to preserve and maintain early examples of machinery and their related components, and tools which were designed as labor saving devices for agriculture, commercial and / or domestic uses. To serve as a source of information concerning such items for the benefit of the members and the general public. It shall further be the purpose of the organization to unite in a central group of owners, who are

interested in restoring and maintaining the equipment, and to help those owners become better acquainted and encourage the spirit of good fellowship.

Members participate in many events throughout Southern Arizona, Parades, Engine Shows, Silent Auctions, Fun Days, and Social Activities that could include Homemade Ice Cream!
